Welcome to the basis camp of the

SANDA SANSHOU EURO-OPEN

The idea of the Sanda Sanshou Euro-Open is based on the philosophy to raise the fighters in Europe to a good international standard and to extend our fighting horizon.

Who are we: Schools from Switzerland, Austria, Italy and Germany, that have already been successfully practicing this fighting art for 4 years.

We fight and conform with the international rules of IWUF. according to the We are on the correct way, that show us rising fighter numbers, and always increasing causes! This way we can offer international referees from all different countries at all Sanda-Sanshou Euro – Open.

The nationality of the fighters, the different style directions of the schools, the federations and organisations do not matter. Important are the rules of the IWUF and the equipment, which have to be to be adhered to at each tournament of this kind.

Each association, federation, school etc.. tournament can organise, its own tournament without large editions with the exception of strict adherence to the rules. They can decide themselves on the extent of the tournament, the price money, the kind of price, shows or cups. What would we like to achieve with this?

- Equal opportunities and rights for everyone who engages himself in this kind of sport as we do without any stumbling blocks!
- Good expandable contacts in other countries and schools, which have elected SANDA Sanshou. Possibilities: training camps, seminars, training as fighting referee, tournaments, shows, etc.
- Increased attractiveness of the tournaments, good for sponsors, media, public and more fighters, international fighters/shows, larger public, income opportunities for the organisers.
- An international Ranking list in the world discipline Sanda Sanshou. Points are assigned per category and rank: 1st rank = 50 Points, 2nd rank = 30 Points, 3rd rank = 20 Points and 4th rank = 10 points.
- At the end of each year we do have one or more Euro-Open winners, which are able to win a cup as well as price money up to € 1000. --. The ranking list is regularly adjusted and can be looked at on the following homepage: www.sanda.open.ch.

The tournament advertisements, press reports, photos, contacts and addresses are kept up-to-date likewise.

We look forward to many fighters and schools, which participate at the Euro-Open. No fighter is obliged to participate in any of the tournaments, but the more tournaments one participates the more points the can gain!!

Willkommen im Basislager der SANDA-SANSHOU EURO-OPEN

Die Idee der Sanda-Sanshou Euro-Open basiert auf der Grundidee, die Kämpfer in Europa auf einen guten internationalen Standard anzuheben, und unseren kämpferischen Horizont zu erweitern.

Wer sind wir:

Schulen aus der Schweiz, Österreich, Italien und Deutschland, die dies bereits erfolgreich 4 Jahre praktizieren. Wir sind auf dem richtigen Weg, das zeigen uns steigende Kämpferzahlen, und stets wachsende Anlässe!

Wir kämpfen und richten nach den internationalen Regeln des IWUF. So können wir an allen Sanda-Sanshou Euro-Open internationale Schiedsrichter aus allen Ländern anbieten. Die Nationalität der Kämpfer, die Stilrichtungen der Schulen, Verbände und Organisationen spielen keine Rolle.

Wichtig sind die Regeln des IWUF und die Ausrüstung, die an allen Turnieren dieser Reihe einzuhalten sind.

Jeder Verein, Verband, Schule etc. kann sein Turnier selber organisieren, ohne grosse Auflagen, ausser der strikten Einhaltung der Regeln, und kann auch selber über den Turnierrahmen, Grösse, Shows, das Preisgeld, Preise allgemein oder Pokale entscheiden.

Was erreichen wir damit?

- Gleiche Chancen und Rechte für alle, die sich in dieser Sportart genauso engagieren wie wir, ohne Stolpersteine!

- Gute ausbaufähige Kontakte zu anderen Ländern und Schulen die sich für SANDA-Sanshou entschieden haben Möglichkeiten: Trainingslager, Seminare, Kampfrichterausbildungen, Turniere, Showeinlagen etc.

- Steigerung der Attraktivität der Turniere, gut für Sponsoren, Medien, Publikum mehr Kämpfer, internationale Kämpfer / Shows, grösseres Publikum, Verdienstmöglichkeiten für die Veranstalter

- Eine internationale Rankingliste in der Welt-Disziplin Sanda-Sanshou.

Es werden Punkte vergeben., pro Kategorie und Platz:

1 Rang = 50 Pkte 2 Rang = 30 Pkte 3 Rang = 20 Pkte 4 Rang = 10 Pkte

Am Ende des Jahres haben wir einen oder mehrere Euro-Open Sieger die einen Pokal sowie Preisgeld bis zu €1000.- gewinnen können.

Diese Rankingliste wird regelmässig (Aktualisiert) nachgeführt und ist jederzeit einsehbar auf dieser Homepage.

Die Turnierausschreibungen, Presseberichte, Fotos, Kontakte und Adressen werden ebenfalls regelmässig (Aktualisiert) nachgeführt.

Wir freuen uns auf viele Kämpfer und Schulen welche sich an den Euro-Open beteiligen. Die Kämpfer sind nicht verpflichtet an den Turnieren teilzunehmen. Aber, je mehr Turniere desto mehr Punkte!!

Jeder neue Ausrichter von welchem Land auch immer, ist willkommen und hat jeweils die Chance ab dem nächsten Jahr ebenfalls ein Turnier für die Sanda-Sanshou Euro-Open Reihe zu starten und sich an dieser tollen Sache zu beteiligen.

Wir zählen auf Euch! Mit sportlichem Gruss! Das OK- Sanda-Sanshou-Euro-Open
